

In groups, answer these questions:

1. Why do you think tattoos can say a lot without using words?
2. Which company did Face.com sell its information to, and in what year?
3. What myths are mentioned in the video? Choose one of them and explain how it could apply to the reality of “digital tattoos.”
4. How careful are you with what you upload to the internet?
5. Who was the man that proposed the theory that in the future everyone will be famous?
6. What do you think would happen if you were anonymous for only 15 minutes? What would you do about it?

Make a glossary with the unfamiliar words.
